All CCC Women Golf Members Are Welcome!

This year we will continue with the team games each week. League members will be assigned to a team each week by the pro. League members are encouraged to participate each week to accumulate points. However, if you cannot attend please notify the pro no later than 5 PM Wednesday. If Rob does not hear from you, he will assume you are playing. There will be no subs this year. Sign up for the league even if you do not plan to play each week. All league play will be from the red tees. There will be a league mixer event for both leagues the evening of June 7.
